

REMARKS

Claims 1-28 are pending, with claims 1 and 22 being independent. Reconsideration and allowance of the above-referenced application are respectfully requested in light of the following remarks.

Section 101 Rejections

Claims 1-28 stand rejected for allegedly being directed to non-statutory subject matter under 35 U.S.C. §101. In particular, the Examiner alleged that claims 1-28 read on an abstract idea and that claims 22-26 and 28 merely describe a propagated signal.

The applicants respectfully disagree with the Examiner's assertions but have nonetheless amended claims 1 and 22 to expedite prosecution. Claim 1 now additionally recites the step of creating a raster representation of the transformed graphical element based on the processing. Claim 22 also recites this step and, additionally, specifies a tangible computer readable medium.

Accordingly, claims 1 and 22, and their dependents, are in condition for allowance.
